

Archibald Primary School

Client	Middlesbrough Council	
Site Address	Barnaby Avenue, Middlesbrough, Cleveland TS5 4DY	
Size	31.0m x 15.25m Multi Use Games Area (MUGA)	
Playing surface system	<ul style="list-style-type: none"> • Dynamic Stone Base • Sand Envelope System® Performance Control Layer • VHAF® NottsSward® sand-filled synthetic grass 	
Built	November 2010	
Specialist contractor	Cleveland Land Services Ltd	
Points of Interest	The construction of the MUGA is the second of four synthetic multi use games areas for Middlesbrough Council with each scheme designed bespoke for the individual school. Here, the fencing and access arrangements were specifically designed for the schools needs and requirements creating a unique entrance area for teaching without eliminating a continous perimeter rebound feature even including integral goal units.	
Sporting applications	<ul style="list-style-type: none"> ✓ Small side football ✓ Hockey ✓ Netball ✓ Tennis 	<ul style="list-style-type: none"> ✓ General Ball Games ✓ General aerobic activities
